[2020 ANNUAL COMPOSITE ACTION PLAN]

[Type the abstract of the document here. The abstract is typically a short summary of the contents of the document. Type the abstract of the document here. The abstract is typically a short summary of the contents of the document.]

Adansi asorkwa district is one of the 254 district in Ghana, It is one of the 43 Administrative district in Ashanti Region. The district was created by legislative instrument (LU 2331) in 2018.

The Adansi Asorkwa District was carved out of Adansi North District Assembly in 2018 to deepen decentralization and make local governance more effective and efficient in terms of service delivery.

The Adansi Asokwa District covers an area of approximately 713.30 sq km representing about 2.949% of the total area of Ashanti Region. The district is bounded in the north by Adansi North District, South by Adansi South district, East by Bosome Freho District and west by Obuasi East District

The population of the district in 2010, according to the Ghana Statistical Service was 64,211, out of the figure 31,785 are males and 32,427 are females representing 1.34% of Ashanti Region's total population of 4,780. The current projected population of the district for 2018 is 75,826 with 37,534 Males and 38,292 Females using a growth rate of 2.1% in 2018.

The 2020 annual action plan of the district encompasses all programmes and projects to be implemented in the district within 2018- 2021. It takes into consideration all programmes and projects to be implemented by the various decentralized departments and units.

The programmes and projects within the action plan are designed in accordance with the policy Framework to operationalize the vision, the policies and programmes outlined in the Coordinated Programme of Economic and Social Development Policies (CPESDP) named Agenda for jobs: Creating Prosperity and equality Opportunity for all.
